

OSPF: Anatomy Of An Internet Routing Protocol By John T. Moy

By John T. Moy

This weekend I am going to be reading OSPF Anatomy of an Internet Routing Protocol written by John T Moy the man who invented OSPF. Review to follow <http://www.rogerperkin.co.uk/ccie/routing-protocols/ospf/ospf-anatomy-of-an-internet-routing-protocol/>

This is one of the best books ever written on the subject. Not only is it the best book on OSPF, but it follows a format that most books should follow. <http://www.goodreads.com/book/show/583136.OSPF>

Written for TCP/IP network administrators, protocol designers, and network application developers, this book gives the most complete and practical view ever into the
